

Maciene

05-09-2012

Dear Twyford class,

My name is Aparicio [redacted] I am Mozabicano

- have 13 years old

am student at grad. 9 in Maciene secondary school

my school day starts at 07:00 and 12:00

we have 6 classes a day. Today I had sciences
Portuguese, geography, math, physics, social science etc.

At school like subject like English, geography
and we learn to dance drums as our culture

and also Timbila and know I am trying to study
how to use computer you guys provided for us

My regards my friend Thomas

Aparicio

in Twyford class

name is Fancelina

15 years old

student in Mariere secondary school in Mozambique

school day starts at 07:00 and ends at 12:00

have 6 classes a day today I had science,

Portuguese, Geography, English, Physics, Math. During

the school day provides lots of sports like football, basketball and music.

where you can learn to dance our music

traditional as our culture, like timbala as piano

I am sorry English is difficult for me because

I studied as third language but I am happy

because you helped us with computers so now we

are studying

I have in excellent uniform

I'm very interested about life in England and hope

you'll tell me my friendlily

yours sincerely

Fancelina

Twigford's class

I am gabriel [redacted], I am 13 years old and year 9. I study in Macient Secondary school. I am going to talk about my school, my school day start 7 o'clock and we have 6 times for a day. In my class have 50 student's, we have too many girls few boys, are 36 girls and 14 are boys. At school I like to study English because English is not my language and in my country few people like and speak this language. In my school have some computers, but some one come to stole any computers.

Regards my friend weassen

Your best friend
